Greetings Parents!

We hope this letter finds you all in good health. Every year, our school undertakes a charitable initiative with the aim of teaching our children, the future of India, the virtue of giving. Through this, they learn to be humble and kind.

This year, our chosen charity is "Make a Difference" – emphasizing the power in giving. We kindly request all parents to contribute by donating old books, toys, clothes, and accessories for the less fortunate. Please ensure that all donations are in usable condition. Our staff will collect, check, and segregate the donations, which will then be handed over to a reputable NGO.

Donations can be submitted to the school between 9 am to 3 pm. Older students can bring their donations directly to their respective class teachers during regular school hours.

The deadline for donations is October 27th, 2023. We are counting on the full support and cooperation of our students and parents in this noble cause.

!!! JAI HIND !!!
