Greetings Parents,

On occasion of this Republic day, our school has taken up an initiative "**Salaam Yodha**" in which each and every member of K.P.C family will donate an amount which in turn will be donated to **National Defence Fund**.

The motive behind this initiative is to bestow on our younger generations the importance of **Indian Armed Forces** and the innumerable sacrifices made by them. To teach our coming generations the act of kindness, art of giving and gratitude towards society.

"**Seva Asmakam Dharma**" is the motto of Indian army, meaning being **Service Before Self**. Thus our motto this Republic Day will be "**Salaam Yodha**", as a thank you for their services.

Parents, we hope you all will take pride in being a part of this initiative with us.

\*\*\*Kindness can not be counted, but we have kept Rs.50 as minimum amount. Last day for donations is 20<sup>th</sup> January,2023\*\*\*
